

Downtown Historic Restoration & Improvements Grant

The Huntsville Main Street Program seeks to provide financial assistance to Downtown Huntsville property and/or business owners to improve existing commercial buildings in the form of a reimbursement program. The program will increase economic vitality of the buildings, increase sales tax and property Values, while preserving and enhancing Huntsville's architectural and cultural history.

Grant funds focus on signage or front facades for commercial buildings located in the nine blocks of the Huntsville Main Street District.

The Downtown Historic Restoration & Improvements Grant is setup as a single payment reimbursement to property owners per building/business, and in some situations, tenants. **Grants are available on a 50/50 matching basis with a cap of \$1000 per grant (\$2,000+ total project costs).** Qualified applicants will be required to match the awarded grant funds dollar for dollar. Approved applicants will only receive one Downtown Historic Restoration & Improvements Grant approval every three (3) years from the date the previous grant was awarded. The aggregate total of Huntsville Main Street Program grants awarded to property per year may not exceed \$2,000.

The total funds available in the matching grant program at any given time may restrict the City's ability to fully fund a grant request. Matching grants shall be processed on a first come – first served basis, as grant monies are limited and can be competitive. Consideration will include the necessity of the repairs or improvements, and the benefit to the building and the general public. No grants will be awarded for work that has already been completed. All applications will be reviewed and approved by the Huntsville Main Street Advisory Board before any eligible work may begin. If awarded a reimbursement grant, any deviation from the approved grant project may result in the total or partial withdrawal of the grant. Any construction that begins before the approval of the Huntsville Main Street Advisory Board of grant proposals will void any reimbursements from being awarded.
