

Huntsville FIRST

COMMUNITY DRIVEN REINVESTMENT

Huntsville First is a campaign encouraging local residents and businesses to take ownership of our community by choosing to shop, eat, and play locally before traveling to neighboring cities. When we choose to spend our time and money locally, we are reinvesting in our community!

SHOP

Whether you visit one of the antique shops downtown or stop by your favorite boutique, every purchase you make in Huntsville boosts our economy. Every \$100 you spend on goods and services generates \$8.25 in sales tax.
