At the City of Huntsville, we strive to provide a safe and clean community for all our visitors and residents. One of the biggest ways that we are able to provide this for our community is through our excellent Solid Waste Services. We would love the opportunity to provide refuse services to your company for any projects that you would be involved in inside of the City of Huntsville city limits. If you would like to use our services, below are the steps needed to allow us to assist you.

Contact Utility Billing at City Hall to open an account. 936-291-5431

Deposit \$1500.00-when the job is completed, call utility billing to final out account and this deposit can be applied to the final balance. Once an account is opened, UB contacts the Solid Waste Department with the location and number of roll offs to be placed at a job site.
