And he always does it with a grin!

Let me help
you!

When Cleo the Clownfish needed help,

Thanks!

Willy bandaged her up with some kelp!

When Willy sees boats set sail,

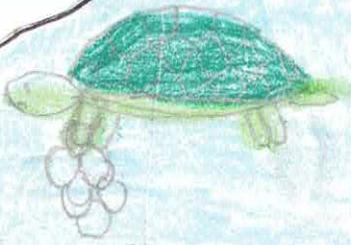

He jumps in the air and shows them his tail!

Oh no, I can help you!

Please

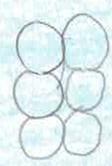

When Tommy Turtle got stuck in plastic,

Bye!

Willy once saw a hungry eel,

**You're
welcome!**

**Thank you
so much**

So, he gave him his meal!

We should all be more like Willy,

Be nice to your friends and family, silly!
