

CITY OF HUNTSVILLE

APPLICATION FOR PERMIT DEMOLITION OF A BUILDING

- **Permit Required:** A demolition permit shall be secured prior to the demolition of any structure either in whole or in part. Where a building permit is issued for new construction or renovations, any required demolition as approved on the building permit construction drawings will be covered by the building permit and a separate demolition permit will not be required.
- **Asbestos Surveys:** An asbestos survey must be performed in accordance with the requirements set forth by the Texas Department of State Health Services prior to demolition of any public building either in whole or in part.
- **Dry Utilities:** The applicant/contractor shall be responsible for contacting the appropriate utility companies to disconnect utilities prior to the demolition of any structure.
- **Water and Sewer:** Sewer lines shall be turned up so as to terminate above ground and shall be permanently capped. Water lines shall either be turned up in the same fashion as the sewer or shall be disconnected from the meter.
- **Site Grading:** After demolition, the site shall be graded to drain and returned to a predevelopment condition.
- **Submittal Requirements:** Please submit this application along with the following documentation to the Permit Office at the address located at the bottom of this page.
 - Site plan or building plan showing all existing structures and all structures to be removed
 - Permit fee as set forth in Huntsville Code of Ordinances
