Troubleshoot the Nook

Depending on the version of the NOOK you own, you may not see library books on your home screen. Instead, they are stored as a document. To get to them, follow these steps:

1. Unplug your Nook from the computer
2. Push your NOOK home button
3. Tap on 'Library'
4. In the top right corner tap 'My Stuff'
5. Tap 'My Files'
6. Tap 'Digital Editions'
7. Tap the title of the book you want to read
