Polyphosphate Price per 30 gallon drum	10 drum	Unit \$220.50 Annual \$2,205.00	Unit \$216.47 Annual \$2,164.70	Unit \$239.25 Annual \$2,392.50		Unit \$187.87 Annual \$1,878.70	Unit \$204.75 Annual \$2,047.50			Unit \$196.20 Annual \$1,962.00		Unit \$ 238.50 Annual \$2,385.00
Sodium Hypochlorite Price per one gallon	12,000 gal	Unit \$1.69 Annual \$20,280.00										Unit \$1.40 Annual \$16,800.00
Sulfuric Acid: Price per one gallon	1,200 gal	Unit \$2.94 Annual \$3,528.00										Unit \$3.25 Annual \$3,900.00

American Water Chemicals, Inc. Polyphosphate minimum of 10 drums per order  
 F2 Industries Polyphosphate minimum of 10 drums per order  
 Atlantic Coast Polymers Polyphosphate minimum of 4 drums per order  
 Shannon Chemical Corporation Liquid Ammonium Min. 500 gallons, Hydrofluosulfuric Acid Min. 250 gallons, Polyphosphate Min. 5 drums per order  
 Carus Corporation Polyacrylamide Min. 2 drums, Polyphosphate Min 10 drums per order  
 Napco Chemical Polyphosphate submitted price per gallon - \$7.95 X 30 gallons=238.50 per drum

To order items as whole and not in parts. Better value to order as whole from one vendor
